FOR IMMEDIATE RELEASE

### **HEALTH eCONNEX & ADMINISOURCE/REMETTRA FORGE STRATEGIC ALLIANCE**

**Chicago, Ill. – July 28, 2004** -- Health eConnex (HeC), a leading provider of end-to-end processing solutions for the healthcare industry, and AdminiSource/Remettra, a healthcare industry leader in medical banking technology, announce the signing of a strategic partnership. HeC will offer AdminiSource/Remettra's services to its clients with the goal of providing a complete and seamlessly integrated solution for processing healthcare claims.

AdminiSource/Remettra provides printed and electronic payment and remittance advice distribution services for payor organizations nationwide. As a result of this partnership, HeC will now offer a solution that enables their clients to streamline administrative functions and achieve operational efficiencies.

"By offering Adminisource/Remettra's technology, HeC is able to offer a win-win solution for payors," notes Jim Anderson, vice president of marketing and business development for HeC. "We are committed to the healthcare industry and our focus is to deliver the most innovative, cost saving solutions from a single business partner."

"I am very pleased with this strategic partnership with Health eConnex," said Rick Morrison, CEO of AdminiSource/Remettra. "We continually look for ways to partner with companies who have vision and are committed to improving the b2b efficiency between healthcare providers and payors. HeC has a like-minded strategy we have been looking for to build an end-to-end healthcare solution."

#### **About Health eConnex**

Health eConnex is a division of Accelerated Receivables Management (ARM), an established eBusiness infrastructure company with more than 24 years of business experience to its credit. HeC is a multi-facet transaction processing organization focused on efficient and cost saving delivery systems for the healthcare industry. HeC represents an infrastructure process for linking the entire process together in a single solution concept by offering a distributed, all-payor all-transaction network-centric architecture. The company's enterprise-wide, scalable solutions are delivered more quickly, at less risk and cost, and with greater opportunities for reuse than ever before. HeC solutions are helping companies run an information network that reaches every customer, supplier, employee, and business process throughout the extended enterprise.

#### **About AdminiSource/Remettra**

As a healthcare industry leader in medical banking technology, AdminiSource/Remettra provides printed and electronic payment and remittance advice distribution services for payor organizations nationwide that are seeking an immediate, cost effective approach to converting health plans' paper-based accounts payable processes to fully automated electronic systems. Complimentary services include: provider registration, bank account authentication, proactive notification of payment, facilitation of the re-association of dollars and data, provider payment/remittance preference tracking, and secure messaging for an integrated and comprehensive system for the industry's medical banking needs.
